

Product Description

Xylene is a solvent for cleaning up surfaces and equipment coated with Innovative Mfg. solvent – based sealers.

Uses

Xylene is ideal for cleaning tools, equipment, and oversprayed surfaces that have been in contact with solvent- based sealers. Always do a small test area on oversprayed areas to ensure compatability.
Xylene may be used to re-dissolve Clearcoat or Clearglaze from concrete if necessary.

Advantages

Xylene is ready to use and compatible with Innovative Mfg. solvent – based compounds.

Limitations

Use only for clean up of solvent – based products. Do not use on vinyl siding or plastics.
Not to be used as a thinner or cutback for solvent – based sealers.

Caution

Danger. EXTREMELY FLAMMABLE.
Harmful or fatal if swallowed. Vapour harmful. Use under well- ventilated conditions.

First Aid Treatment

If swallowed, call physician or Poison Control Centre immediately. Contains Xylene.

Packaging

3.78 ltr. Oblong can, 18.93 ltr. spout lid pail, 205 ltr. drum
