

Product Description

Resolve is a blend of specially selected solvents for re-dissolving Innovative Mfg. solvent based acrylic sealers.

Uses

Resolve is used for removing blotching and whitening problems that occur on concrete with excess moisture content. Resolve works by re-dissolving the acrylic and driving it into the concrete leaving a surface ready for re-application of Innovative Mfg. solvent based acrylic sealers.

Application

Pour Resolve over affected area. Using a clean solvent resistant scrub brush scrub area and allow Resolve to evaporate. Apply a new coat of acrylic sealer to area.

Limitations

Use only on solvent based acrylic sealers. Do not use on vinyl siding or plastics. Not to be used as a thinner or cutback for solvent – based sealers.

Caution

Flammable. Harmful or fatal if swallowed. Vapour harmful. Use personal protection (solvent resistant gloves, glasses and an approved respirator). Use under well ventilated conditions. Keep away from open flame or spark.

First Aid Treatment

If swallowed, call physician or Poison Control Centre immediately. Contains Xylene.

Packaging

3.78 ltr. Oblong can, 18.93 ltr. spout lid pail, 205 ltr. drum
